

Application for export of meat/ poultry to Hong Kong

1. Establishment information

- 1.1 Name of the establishment
- 1.2 Address of the establishment
- 1.3 Approval number of the establishment
- 1.4 Types of meat/ poultry to be exported into HKSAR
- 1.5 Activities carried out in the establishment
 - slaughterhouse
 - cutting plant
 - processing plant
 - cold store
- 1.6 Production / storage capacity of the establishment

2. Location and lay-out of establishment

- 2.1 Area where the establishment is located (description + pictures)
- 2.2 Floor plan of the establishment
 - 2.2.1 Showing rooms for different operations and machinery lay-out
 - 2.2.2 Showing personnel flow
 - 2.2.3 Showing process / products flow
- 2.3 Materials used
 - 2.3.1 Floor:
 - 2.3.2 Walls:
 - 2.3.3 Ceiling:
 - 2.3.4 Lighting:
 - 2.3.5 Ventilation:

3. Water supply

- 3.1 Source of water
- 3.2 Treatment of the water
- 3.3 Examination of the water
 - 3.3.1 Frequency

- 3.3.2 Item analyzed
- 3.3.3 Results (attach latest reports)

4. Staff

- 4.1 Organization chart of the establishment
- 4.2 Staff information: list number and qualifications of employees
- 4.3 Staff hygiene
 - 4.3.1 Uniform: brief description
 - 4.3.2 Laundry (in plant or by contract):
 - 4.3.3 Sanitary facilities: brief description employee facilities, equipment cleaning & sanitizing facilities
- 4.4 Training program (brief description)

5. Slaughtering / cutting / processing process

- 5.1 Description of the process (attach flow charts)
- 5.2 Food safety program
 - 5.2.1 HACCP (plan, list of CCP and PA, analyses carried out)
 - 5.2.2 Certificate of HACCP, ISO of the establishment, etc.
 - 5.2.3 Others
- 5.3 Description of Sanitation Standards Operating Procedures (SSOP)
- 5.4 Description of GMP
- 5.5 Description of temperature control

6. Waste treatment/ disposal

7. Pest control

- 7.1 Pest control program: brief description + lay-out map of pest control points
- 7.2 Results (attach latest pest control reports)

8. Traceability system

- 8.1 Product traceability (from raw materials to final product)
- 8.2 Recall procedure

9. Supporting material

Attach video of the establishment showing the facilities available for the slaughtering / handling / processing / production / storage / transport.

10. Additional information for establishment with slaughtering activity
